ABOUT ACE

THE COMPANY BEHIND THE MOVE

FAMILY-OWNED

Ace Relocation was founded by Reg Lammers who began his moving career in the 1960s. By 1985 Reg brought his sons Dan and Larry into the business working as packers, loaders and drivers. Dan and Larry still own and run Ace Relocation today. Their family-run, small-business heritage and customer-first philosophy continue to guide the company today.

A CULTURE OF COMMUNITY

Ace Relocation is committed to more than moving. We're committed to making a difference in our local, national and global communities. Through financial contributions and active involvement, we support organizations that hit home to the Ace Relocation family.

TRUE PROFESSIONALS

Ace Relocation is a professional moving company trusted by thousands of individuals and the country's top companies to care for people and their belongings throughout every stage of the moving process. We are certified and licensed, which means when you move with Ace, you move with peace of mind.
